

Cinco de Mayo Project

This is an individual activity.

Part 1: Research the background of the holiday of Cinco de Mayo. Write one full paragraph (about a half page typed) describing the culture, history, traditions, and celebrations that accompany this holiday in Spanish. Do not use Google Translate. Do your best using your Spanish dictionary and 501 Spanish Verbs if necessary.

Part 2: Bring in something “fun” which accompanies your information. This should be whatever you signed up for on the sign up sheet.

Due: 5/4 (ES), 5/5 (M)
