

Socratic Seminar – Self Evaluation

Name: _____

Please rate yourself on the rubric below by placing a check in the appropriate box and adding evidence to support your evaluation. **Be honest and provide specific evidence.**

	Yes	Somewhat	No	Evidence (be specific):
I read and annotated the text thoroughly & felt prepared for the discussion				
I engaged in discussion & kept on task				
I supported my ideas with references to the text (provide specific examples)				
I encouraged thinking & participation in others by asking insightful questions & building on others' ideas (provide examples)				
I listened respectfully & presented ideas in a civil & proper manner; I accepted more than one point of view				

Reflect:

What did you like most about the Socratic Seminar?

What did you like least about the Socratic Seminar?

Discuss one way that you added value to the discussion.

Discuss one way you can improve for the next Socratic Seminar.
