

Spanish 2 Christmas Project:

This project is made up of 2 parts.

Part 1: You will be assigned a country for which Spanish is their first language. Research their Christmastime traditions and create a composition, in Spanish, describing them. The composition should be 1/2 page, and should be entirely in Spanish. No Google Translate allowed. Be specific! Do they believe in Santa Claus? Do they set off fireworks? Do they eat a big meal together? If so, what do they eat? And that leads us to part 2...

Part 2: You will also bring in a popular holiday dish for that country. Write a one-paragraph description, in English, of the dish. How did you make it? How did the tradition begin? Etc.

!Feliz Navidad!
